

## MONEY ORDER DEBIT FROM STORED VALUE FUND

### ABSTRACT OF THE DISCLOSURE

According to the invention, a method for transferring a credit amount out of an online system using a money order is disclosed. In one step, pay-out instructions are received at a server computer system from a wide-area computer network coupled to a payor. The pay-out instructions include at least two of a payee, a delivery location, and the credit amount. A first handler associated with the payor and a second handler for preparation of the money order according to the pay-out instructions are determined. The credit amount is transferred from the first handler to the online system. The pay-out instructions are sent to the second handler.
